Casa Field Trip Tied back to the Curriculum

As an extension to the focus on farming and the harvest, Extended Day students spent a day at Saunders Farm. After a workshop on pumpkins and crops, the students enjoyed a wagon ride and explored several of the mazes. A fun time was had by all!

BHMS United Way Contributions Totaled almost \$3,000

Thank you to parents who support BHMS through United Way. Your contributions are greatly appreciated! As a not for profit organization, fundraising and donations are an essential component of BHMS.

Older students assist younger students during Christmas Advent Worship.

Keeping Our School Community Safe

Police officer Bond spoke to students about Lockdown and Safety on Thursday, November 7th. We held two age appropriate sessions: One for Casa and another for Elementary and Junior High students. The session introduced Lockdown and Safety concepts to students which will continue to be supported by Classroom Directors and members of the BHMS team.

Thank you for using your FOBS! Thank you Mr. D. for demonstrating! If you are entering the building during off periods, please report to the office to sign in. As part of the Lockdown and Fire Procedures we must know who is in the school.
