BHMS - In Our Community and Beyond

In the spirit of the Christmas season, the Worship Choir sang, Toddler and Elementary students baked and prepared crafts to sell in a week long fundraising event. Proceeds benefited our twinned school in Lesotho and the Carlington Food Bank.

A Message from Renette

I hope you enjoyed the Christmas Concert as much as I did. For 30 years, in true BHMS style, the message of Christmas is once again delivered to our community. With the Christmas holidays upon us, I wanted to take this time to wish you all a safe, restful and joyous holiday.

We look forward to seeing our returning families on Tuesday, January 7, 2014.

In BHMS Tradition - Hope, Peace and Joy

In BHMS tradition, students and staff gather during the four weeks of advent to prepare for Christmas. We light candles on our Advent wreaths, read scripture, watch skits about Jesus' coming and of course, we sing! Each week there is a different focus during the Advent season: *Hope, Peace, Joy and Love*.

Students are Outside Daily.

Please dress them for the weather.

Junior Elementary Swimming

Please Note! Swimming resumes the week of January 7th and ends the week of March 3rd.

It's That Time of Year!

If students are sick, please keep them home! It is school policy to contact parents promptly if we observe that a student is sick or has a fever exceeding 38°C or 100°F. Parents are required to pick up their child right away; this reduces child discomfort and risk of infecting other students.

The Story of Christmas

Students practice for the December 18th Christmas Concert sharing the true meaning of Christmas as demonstrated through their songs and music. Admission to the concert is a non-perishable item benefitting the Carlington Food Bank. The sleigh... created by Katsumi, BHMS Art Director and the Art, After School Program.

Calendar

December 23 to January 6, 2014
